## Recital 2011

2011 is upon us and that means it's time to begin preparing for this year's annual recital!

Recital fees were due November 1st with normal tuition. These fees include your dancer's costume as well as their recital t-shirt, and trophy. Recital fees are \$85 for each dancer and \$55 for each additional class. If fees have not been paid and you still wish to participate in recital, there will a \$10 late fee charged to cover additional shipping cost for late costume orders.

If you are not able to participate in the performance this year please let the front desk know ASAP so you are not charged a recital fee, and teachers do not include your dancer in the routine.

Classes will begin working on a routine for the performance this month so attendance is crucial until June. If you have any conflicts please let the desk know, so they can inform your dancer's teacher.
