

AMD News - January 2012

Recital 2012

It's official we are only 5 months away from our year end recital! That means all classes will begin working on their routines, costumes will be ordered, and Dads need to get ready for this year's DADS dance! AMD will be trying to catch any dancers who were not present for measurement week, but if you know your dancer was not measured please stop by the front desk and we would be happy to take care of it! Recital Packets will be available the 1st of next month so keep an eye out for them. The packet will contain lots of important information to make this year's recital the best one yet!

New Adult Classes!

That's right AMD will again be offering Adult Classes, just in time to help with all those New Year's resolutions! Classes are offered to adults as drop ins so there's no commitment! The first meeting of each class will be free to any AMD parents who want to check them out!
